We are looking for Imaginative, Creative, Inspired individuals to uniquely decorate a guest table for 8-10 people.... or anyone just interested in pitching in a little for a great cause!

Here's how it works:

- You can decorate by yourself or with a friend(s)
- Linens and table settings are provided – you supply a dazzling centerpiece to be raffled (something desirable with inherent value) and 8-10 coordinating party favors (exact count tbd– some tables seat 8 others seat 10).
- The theme is DESTINATIONS. You have a lot of leeway here. GET CREATIVE! It could be:
 - A Country
 - A State
 - A landmark (i.e. the Eiffel Tower, the White House, Big Ben, the Towers.)
 - A region (i.e. outer space, under water)
 - A favorite place (the beach, a vineyard)
 - Famous natural places
(i.e. The Great Barrier Reef, Mt. Everest, the Redwood Forest).
- There are 40 tables to decorate. We are working on a platform to post your decorating idea so that we don't have duplicates. First come first serve!
- The maximum table value is \$100. Of that, \$50 should be spent on the centerpiece and the balance spent on the party favors.
- You will have access to the Dunes Club dining room the night before the event on Thursday evening May 31 and/or on Friday, June 1, the day of the event to dress your table.
- Please be advised that you will not sit at the table you decorate.
