

I. Mission, Legal Structure, and System of Governance

C. Bylaws

8. Regulations

The School Committee delegates to the Superintendent the detailed arrangements under which the Narragansett School Department will be operated. Those rules and detailed arrangements will constitute administrative regulations and require the advice and consent the School Committee.

The Committee will receive all regulations published by the Department of Education and State of Rhode Island and develop specific policies in order to carry out those regulations.

Accepted: December 20, 2006
